The pictures below are some of the pictorials taken during the dispersal of zampen native chicken project in J. H. Cerilles State College – Dumingag Campus – Dapiwak, Dumingag, Zamboanga del Sur. The recipients received harden chicks, growers, ready – to – lay and breeders

This is the visit of one of the recipient of the dispersal and distribution of planting material for zampen native chicken consumption.

These are the rearing areas of the recipient as well as their pond for azolla production.
