The photo op takes place. Present in the picture were Mr. Ricky A. Egos, our Extension Director, and the faculty from the School of Teacher Education- Dumingag Campus.

The parents of our project beneficiaries also joined in the photo op together with our STE faculty and Extension Director.

The spread of the COVID 19 pandemic has brought extraordinary challenges to the lives of many and has affected various sectors including the education sector, and no one knows when it will end. As schools shifted from the traditional face-to-face (F2F) instruction to a blended or modular mode of learning, every stakeholder slowly learns and adapts to the new normal. Parents also complained as to the quality of their children's learning given that most, if not all, of their lessons and learning activities, are to be done through modules. With that, the School of Teacher Education realized to implement a project titled **LET'S WRITE: Building Pupils' Competence in Writing through Written Corrective Feedback (WCF)** for the benefits of the students in Caridad Elementary School, Caridad Lakewood Zamboanga del Sur. The Memorandum of Agreement was signed last April 2021. Present on the said activity were the

Extension Services Director, Mr. Ricky A. Egos, the STE faculty, the parents, and the faculty from Caridad Elementary School. The STE faculty continues to extend their knowledge in the community despite any obstacles that even the COVID 19 could' stop them. One of the objectives of this project is to teach and assist parents in answering the modules of their students since we are now adopting blended or modular learning.
